

Flower Regulations

1. All decorative/floral objects are cleared from all graves, mausoleums, columbaria, and personal crypts two times per year: March 1st-15th and November 15th-21st. Please retrieve objects with sentimental value prior to these dates.
2. Only one decorative/floral object may be placed on a grave at a time. Flowers must be in approved vase. Holiday decorations and wreaths/sprays on easels will be permitted between November 21st and January 31st. **All holiday decorations will be promptly removed by cemetery staff after January 31st.** Wreaths/sprays on easels must be anchored securely to the ground, away from all bronze memorials. 3. Artificial flowers are permitted, but may be removed at our discretion when they become weathered, damaged, or are damaging the bronze memorial.
4. Flowers should be securely anchored in the vase. If flowers are blown away, we are not responsible to return them to the correct grave or to provide compensation for their loss.
